## PLAN:3DAYS

### Itinerary :

#### DAY 1 – Aomori-Goshogawara -Hirosaki

Welcome to Japan's main island and its northernmost prefecture Aomori! You will get to ride a train of a different type: A historical tube train that is reminiscent of the prior World War II era. Inside the train you will be served some nice Japanese sake and local specialties including dried squid!  
**Stay:** Art city hotel Hirosaki (or similar)

#### DAY2:Hirosaki-Kuroishi

Today you will get to experience some unique Northern Japanese culture firsthand: You will be visiting a "Kokeshi" doll workshop and even build your own wooden doll with an expert artisan. Kokeshi are limbless wooden doll with beautiful patterns. There are only seven professional Kokeshi doll artisans in Aomori and one of them will give their precious time to you today. Besides meeting an inspiring individual, you will get a truly extraordinary Japan souvenir to bring back home with you.  
**Stay:** Tsuta onsen ryokan (or similar)

#### DAY3:Hakkoda-Aomori

Your Private North Japan Tour is coming to an end, but before starting your way back home either by Shinkansen or airplane we would like to let you experience something beautiful: Ride Hakkoda Ropeway to the top of a snowy mountain to take in the final view of the winter wonderland. If you are lucky, there will be stunning crystallized rime ice sparkling in the sun. The rime ice phenomenon of Aomori is said to be the most beautiful in whole Japan! The silent woods heavy with thick snow look almost like living creatures... You can even enjoy a snowshoe adventure surrounded by this beautiful scenery. When you return home, there will be tons of stories to share about your unique winter adventure to Japan's deep north!
